On Our Way Up!

Life at Cooper City High was one to be remembered as a brand new class was initiated into the Cowboy family. While the class of '85 is on their way out, the class of '88 is on their way up!

In no time at all, all four classes united, and the spirit of red and black filled everyone with enthusiasm! Every weekend, Cooper City's new football stadium was packed with students and faculty members cheering their team onto victory.

Cowboy students united during the gala homecoming celebration, where Tammy McPhee and Bobby Garcia presided over the Senior Court as Queen and King.

As the year went on, many Seniors began thinking about plans after High School, while underclassmen hit the books hoping to keep high GPA's. Juniors received their class rings, and most took the SAT for the first time. Many freshmen and sophomores began to feel at home at CCHS. This year was filled with many memories; there were a lot of good times, and even major disappointments.

Many new friends were made and perhaps some old ones forgotten, but that's all part of growing up.

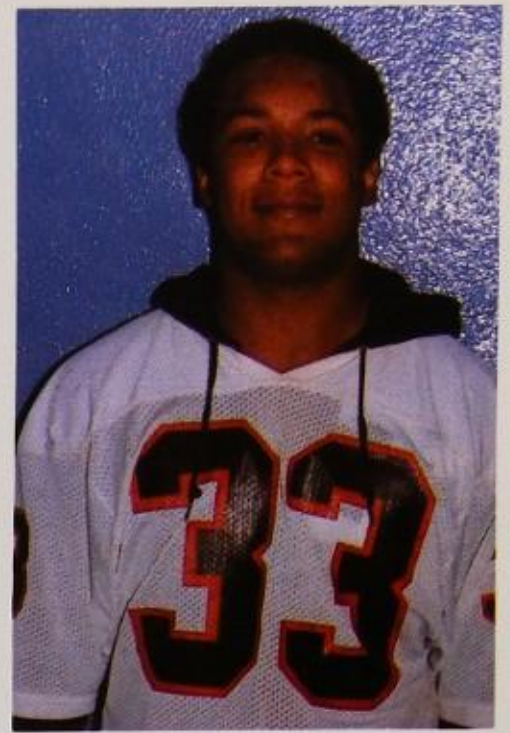

It is a fact that Cooper City students are on their way up, and the sky is the limit! Well after high school, when most of us have floated to our new destination, the memories of CCH will linger with us forever!!

SGA provides leadership

This year has been one of the most productive as well as enjoyable years for S.G.A. and its members. The success of Cowboy Capers, homecoming festivities, and dance was the outcome of hard work, cooperation, and dedication. Our main objective for this year was to set a strong base for the future of S.G.A. to build upon. Without the long hours and hard work put forth by the officers and sponsors, Mrs. Maxwell and Mrs. Parker, S.G.A. could not have been as successful as it was. But above all, S.G.A. was successful in love, pride, and spirit throughout Cooper City High.

Sincerely yours,
Terry M. Truex
S.G.A. President

Coaches Miller, Megna and Carrite

Cowboy's Football Team is Close, But no Cigar!

This year saw the entrance of a new coaching staff of Doug Miller, Paul Megna, Paul Rainone, George Watson, Brad Wilson, Bob Carnite and Robert Fleisher. They saw their team through some rough and punishing times. The Cowboys surprised the community when in the season opener they almost beat Hollywood Hills with a surprising 17-16 loss. This loss boosted the Cowboy's to win the following games of Nova, Coral Springs, McArthur, and Western. The downer of the season was when Piper pulled off a last minute victory. With 14 seconds left Piper's QB threw a 20 yard touch down pass. The final score was 14-10, another Cowboy loss.

Senior President Bids Farewell

The time for the class of 1985 to part is upon us. The hard work, long hours, and dedication has finally paid off. As we graduate, we will remember the Cooper City High School experience as a great and special one. We will look back at Cooper City as a special place that has taught us to appreciate education, accomplishment, and achievement, while yielding very dear friends and memories that will always bring us great joy.

The people I have met at Cooper City High may never cross my path again, but they will always be a special part of me. I cannot begin to repay the school for the experience that I have obtained by working with people through student government and student activities. Nor can I express enough thanks to Ms. Schaas, our warm-hearted sponsor; to Dan, Lisa, and Cynia, the best officers that I could have had; or to very dear friends and comrades like Alice Koshy.

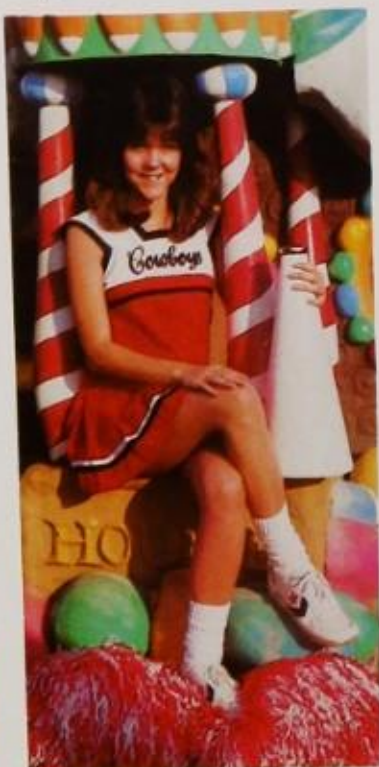

I feel very fortunate to have served as your class president. I would like to thank everyone for giving me this great opportunity, and thank you for the constructive help and support while I was in office. May you live out your dreams and find happiness and good fortune in all that you do.

Guard scores superior in district competition

Amy Santucci, Captain

Ingrid Christian

The 1984-85 Color Guard is a group of which Cooper City High can be proud. This marching season, the color guard established a name for themselves as well as the band by winning several awards in the caption of "Best Color Guard". They finished off the season by taking the trophy at the Vero Beach contest. This award helped establish them as one of the top high school guards in the state.

For winter guard season, the 18 member guard performed an exciting show, using music from "Star Wars." The color guard entertained audiences with a winning show at each performance.

May the force be with you.

Interact is an organization aimed at providing community service through various fundraisers and activities to aid local causes.

The first major project this year, the Thanksgiving food drive, was a great success. It also played an extensive role in Cooper City's effort to host the

Special Olympics in November. Members erected candy, makeup, and holiday card booths. During the holidays, Interact helped to spread cheer to Broward hospital patients.

In the past, Interact participated in a car wash to help the Diabetes Foundation and had other fundraisers

for various needy groups. Interact also sponsored the 1984-85 Cooper City High Blood Drive.

The main objective of the Interact club is to make a difference in the lives of people in need.

"FRIENDS DON'T LET FRIENDS DRIVE DRUNK!"

Jack McCann lectures the consequences of driving under the influences of alcohol and drugs

To the Students of Cooper City High School:

Over the door of the library of one of our universities are these words: "The half of knowledge is knowing where to find knowledge." Additionally, someone has said that "learning has not fully blossomed until one learns to think for himself."

You, the members of the graduating class of 1985, have been the very heart of Cooper City High School. Yours have been the open minds which have received the advantages of the experience and training of your teachers.

We hope that you have been taught to think for yourselves, and to make judgments based upon sound values. If we have accomplished this, we have no fear for the future. Quite the contrary, we are confident that the future is in very good hands - yours, because you have evidenced that ability of knowing where to find knowledge, and have applied that knowledge to your own edification.

Congratulations Anna!
From
Kessler + John

Anna,
God made the world with its trees, mountains, and seas.

Then he paused and said it needs one more thing.

Someone to laugh, dance and sing, to walk in the woods
and gather flowers . . .

To commune with nature in the quiet hours, so he made little
girls with laughing eyes, bouncing curls, joyful hearts
infectious smiles, enchanting ways, feminine wiles, and that
is what he gave me in you. You have brought me so much
pride and happiness and though I have to turn you out into
the world, I hope our times together and our closeness will
never end.

I love you and God be with you. Mom

MRS. MORRIS COOPER

The school board of Broward County built Cooper City High School in 1971. The school was dedicated to Mr. and Mrs. Morris Cooper. Mr. Cooper was the founder of Cooper City and was one of the early pioneers in developing this area. Cooper City High School was specifically dedicated to Mr. Cooper, and the media center was dedicated to Mrs. Cooper.

Since the school first opened, the Coopers have been donating state of Isreal Bonds to Cooper City High School. Although Mr. Cooper passed away in 1975, Mrs. Cooper continues with their most generous donations. Over the years, Mr. and Mrs. Cooper have donated \$51,500 worth of Isreal Bonds to Cooper City High School. The dividends from these bonds have been placed in the Morris Cooper Scholarship Fund and have provided 54 scholarships for the students at Cooper City High School to various colleges.

Cooper City High School faculty and students are extremely lucky to have friends like the Coopers. We are proud to have our school dedicated to them.

Congratulations

Danny O'Hay

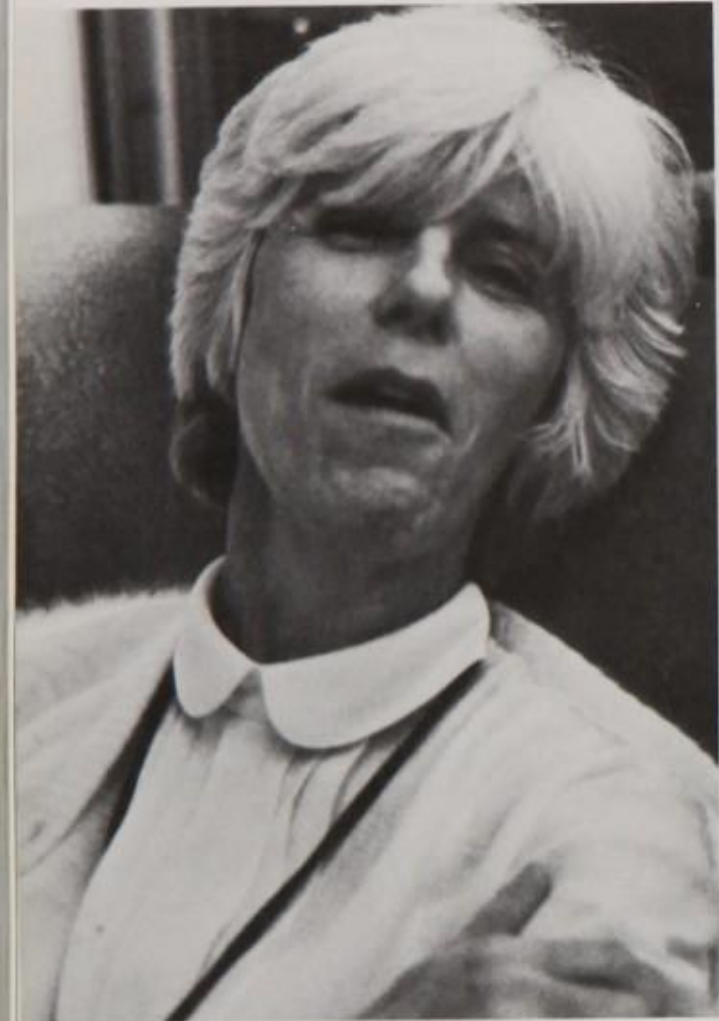

In Memory
of two friends we lost in tragic accidents this year. Even though Debbie
and Danny are not here with us, they are still in our thoughts and memories.
They both expressed themselves with energy and personality, and this is
what we remember. We give our deepest sympathy to their families.

Freshmen invade the Lunch Line.

Our years at Cooper City High have been a truly exciting and rewarding experience from when we first entered as freshman with all the uncertainties, and the apprehension in making probably one of the biggest steps in the ever growing developments of our lives.

As we entered our senior year we look back with much pride to our accomplishments throughout the years and look forward to all the excitement that being a senior brings.

The past four years have been truly inspirational with preparing us for what life has in store for us. On our way up.

Senior Lisa Shm introduces us to her friend, Ralph.

Far out Phyllis Gelman models her 50's day spirit attire.

With Cindy, Kim, Mark and Chrissy, lunch is always fun.

Trying to get to class, Senior Craig Rose rummages through his locker.

On Our Way Up

Cowboy Spirit.

The years have passed us by.
We're not little children any more.

The time has come for us to see,
What lies beyond our high school door.
After this year is through,
We'll all go our separate way.
But no matter how far apart we are,
Our high school memories will never go away.
Going into our freshman year, during August of '81
And so we wouldn't be tardy, to every class we'd run.
Then we began to fit in, Sophomore year of '82.
Joining clubs, activities and sports, Doing things that we
wanted to do.
We received our high school rings, Junior year of '83.
Wearing them wherever we went, so every one could
see.
Going back to school for one last time, Senior year of
'84.
Diploma in '85, walking across the floor.
We've shared such wonderful times,
Throughout our high school years.
But these times will grow fewer, as graduation day nears.
So have a great life and take care,
Seniors the best class alive,
Good Luck in all you do.
Cooper City class of '85.
